

**SPECIES LIST OXWICH, GOWER MAY 2012 - COASTWIS**

|                                 |                          |
|---------------------------------|--------------------------|
|                                 |                          |
| <i>Botrylloides leachii</i>     | colonial sea squirt      |
| <i>Amphipholis squamata</i>     | little brittlestar       |
| <i>Antedon bifida</i>           | rosy featherstar         |
| <i>Carcinus maenas</i>          | shore crab               |
| <i>Psammechinus miliaris</i>    | shore urchin             |
| <i>Parablennius gattorugine</i> | tompot blenny and eggs   |
| <i>Nereis</i> sp.               | ragworm                  |
| <i>Asterias rubens</i>          | common starfish          |
| <i>Eulalia viridis</i>          | green leaf worm          |
| <i>Tethya aurantium</i>         | golfball sponge          |
| <i>penicillus</i>               | pencil sponge            |
| <i>Lipophrys pholis</i>         | shanny                   |
| <i>Necora puber</i>             | velvet swimming crab     |
| <i>Botryllus schlosseri</i>     | star ascidian            |
| <i>Nucella lapillus</i>         | dog whelk and eggs       |
| <i>Sabellaria alveolata</i>     | honeycomb worm           |
| <i>Metridium senile</i>         | plumose anemone          |
| <i>Cancer pagurus</i>           | edible crab              |
| <i>Pilumnus hirtellus</i>       | hairy crab               |
| <i>Dendrodoa grossularia</i>    | baked bean sea squirt    |
| <i>Maja squinado</i>            | spider crab              |
| <i>Lanice conchilega</i>        | sandmason worm           |
| <i>Ammodytes tobianus</i>       | lesser sand eel          |
|                                 | hydroid spp.             |
| <i>Molgula</i> sp.              | a sea squirt             |
| <i>Anemonia viridis</i>         | snakelocks anemone       |
| <i>Urticina felina</i>          | dahlia anemone           |
|                                 |                          |
| <i>Pholis gunnellus</i>         | butterfish               |
| <i>Trivia monacha</i>           | spotted cowrie           |
| <i>Doris pseudoargus</i>        | sea lemon                |
| <i>Aeolidia papillosa</i>       | grey sea slug            |
| <i>Hippolyte varians</i>        | chameleon prawn          |
| <i>Pholas dactylus</i>          | piddock                  |
| <i>Lineus longissimus</i>       | bootlace worm            |
| <i>Elysia viridis</i>           | a sea slug               |
| <i>Alcyonium digitatum</i>      | dead man's fingers       |
| <i>Actinia equina</i>           | beadlet anemone          |
| <i>Hymeniacidon perleve</i>     | a sponge                 |
| <i>Suberites ficus</i>          | a sponge                 |
| <i>Crenilabrus melops</i>       | Corkwing wrasee juvenile |
| <i>Anomia ephippium</i>         | saddle oyster            |
| <i>Cerastoderma edule</i>       | common cockle            |
| <i>Asciidiella aspersa</i>      | a sea squirt             |
| <i>Didemnum maculosum</i>       | a colonial sea squirt    |
