<p>Coastwise runs two 10 week programmes of talks (Spring & Autumn terms) in addition to organising a shore based summer programme which includes systematic surveys of beaches and rock pool ramble events with participants being responsible for their own safety. Our aim is to increase the understanding of the coast, its wildlife, and its importance to North Devon. This is achieved by sharing knowledge and undertaking conservation activities and projects addressing current issues with other Organisations. Coastwise has a privacy policy which can be found on our website. We will not pass your data onto any other organisation. Do you agree that this data including emails may be shared with Members to facilitate group activities and social interaction? YES/NO</p>	
Full Membership is £30 per term which includes the course programme and other activities	
Associate Membership is £5 per year and £3 per talk attended. Student concessions available on request	
Cheques payable to Coastwise North Devon, either sent with this form to the Membership Secretary, 47 Lagoon View, West Yelland, Barnstaple EX31 3LD or brought to the first meeting
